

## Inaugural Germany Close Up Photo Competition 2019: 'Encountering Germany'

Early 2019, Germany Close Up will be running its first photo competition for program alumni. The theme of the competition is 'Encountering Germany.'

### What we are looking for:

We are looking for submissions showing encounters and interactions that you had during your time in Germany on Germany Close Up. These could be photos of interactions between you and your fellow participants, with program staff, with speakers and other people you met, or with places you visited. How you interpret the theme is completely up to you!

### What you can win:

The photographer of the winning submission will receive a generous book prize and a return trip to New York to be presented at our alumni event in 2019. Second and third place getters will also be awarded a book prize.

All winners and shortlisted submissions will have the opportunity to be published in our forthcoming essay collection.

### How to enter:

You can enter up to five digital photos. To enter, please email your photos together with a completed and hand signed application form to [office@germanycloseup.de](mailto:office@germanycloseup.de).

Your photos should have a resolution of at least 300 dpi and be at least 1 MB in size. Please submit your photos in jpg-Format.

**Close of submissions is February 25, 2019.**
